Travelling by Bangkok Transit System (BTS):

Exit at Ploenchit station on the south side of Ploenchit Road. Head west and immediately turn left onto Wireless Road. GPF Witthayu Tower is just a few minutes walk down the road on the left hand side, past All Seasons Place and the Conrad Hotel. Enter Tower A and check in at the desk. Studio Magenta is located on the ground floor through the lift lobby.

Travelling by car:

Wireless Road may be accessed directly from Sukhumvit Road travelling west, from Sathorn Road heading north, or from Rama IV Road when travelling in either direction. GPF Witthayu Tower is located on the east side of Wireless Road and is accessible from either direction, though when north-bound be sure to take the centre lane after Lumpini Park, which allows a right turn into the building. Visitor car parking is available on levels 1&2. Deliveries should be unloaded in the basement loading bay and brought up via service elevator or stairway to the ground floor.
